- Support the Lake Placid Memorial Library
- Purchased car seats for distribution through the Lake Placid Police Department
- Send high school students to Seminar 4 Tomorrow's Leaders – a Rotary leadership training seminar
- Provide funds for AdventHealth's mission trips to provide health services to low income areas
- Provide custom fitted wheelchairs to schools in Costa Rica
- Donate to the Boys and Girls Club and Big Brothers, Big Sisters
- Establish and maintain Rotary Park, downtown Lake Placid
- Sponsor Lake Placid Youth Baseball/Softball
- Give funds to Toby's Clowns
- Support leadership development programs at a local grade school
- Provide free dictionaries for each 4th grade student in Lake Placid
- Provide numerous small grants for benevolent community projects, including the Pawsitive Effects, Master Gardeners, United Way, Medal of Honor Park, Healthy Families, Champion for Children, Lake Placid Jaycees, Manna Ministries and several illness support donations to families
