MARY STAIK MEALS ON WHEELS

Debbie Pipkin, Mary and Mary Staik

Mary Staik is the Director of Operations for the Sebring Meals on Wheels. There is currently no meals on Wheels program for Lake Placid residents. One of Mary's purposes in talking to our club was to encourage a group in Lake Placid to take on the program for the Lake Placid area.

Mary explained the program as it exists in Sebring. It was established in 1973 as a non-profit organization. They depend solely on the contributions from individuals, churches, businesses, service clubs and similar organizations. Meals on Wheels relies on volunteers from

meal delivery and without volunteers the program would not exist.

Hot nutritious meals are delivered Monday through Friday around noontime. Most meals consist of an entrée, two vegetables, a salad, roll, dessert and milk. Diabetic and vegetarian meals are available as well.

There are no age restrictions, although most clients are elderly or homebound.

The cost of each meal is \$4.35 per day. There is a need for this program in Lake Placid, but the Sebring Office is unable to extend their services this far from their base due to their being required to deliver the meals within a certain time frame. Mary

Ten million seniors struggling with hunger. Waiting lists nationwide. And the problem continues to escalate. Help us fight for seniors nationwide.

Spring is Coming!
